Reserve Wine List

Big Basin 2013 Homestead– *Rhone Blend* Santa Cruz, California
\$53.99

whole berry, cold soaked, indigenous yeast, hand punched.
Syrah, Carignane, Grenache, Mourvedre, Cabernet Sauvignon

Adelsheim 2010 Calkins Lane *Syrah* – Oregon
\$90.14

The 45th parallel is a beautifully ideal spot for the Syrah grape to really show its true character; whether that be in the Northern Rhone Valley, in France, or in the northern Willamette Valley, as we see here.

Think: Blackberries, blueberries, and hints of black pepper with opulent tannins.

Negro 2013 ‘Serra Lupini’ *Arneis* – Roero, Italy
\$42.25

A family affair since 1670, Angelo Negro and his family keep the estate alive today in the Roero.

Apple blossom, pear, and apricot aromas fill the air while bright citrus notes brush along the back of the palate and end gracefully.
Pop this open and drink up before 2016!!

Radikon 2005 *Ribolla Gialla* – Italy
\$84.98 (500ml)

Famously known for its Golden or “Orange” hues, the Ribolla Gialla from Stanko Radikon presents itself unfiltered with deep aromas and complexities. The four months of maceration on the skins develop the rich copper tones and a white wine with a seductive tannic structure.

If you’ve heard the stories of “Orange” wines lately, this is where you start.
